

A Community of Givers

FISCAL YEAR: JULY 1, 2020 – JUNE 30, 2021

As a Habitat supporter, you power our mission to bring people together to create, preserve, and promote affordable homeownership and advance racial equity in housing.

We are grateful for all your gifts of time, resources, and partnership. This year, **2,916 individual volunteers** contributed a total of **48,056 volunteer hours** and **7,049 donors** generously gave financial and in-kind **gifts totaling \$12,465,965**.

In addition to the thousands of individuals who support Habitat, many organizational donors—like corporations, faith communities and foundations— have given in the past year. You can see them listed in this book.

Twin Cities Habitat for Humanity is thankful for this broad community working together toward an equitable Twin Cities region where all families have access to the transformational power of homeownership.

Individuals

Instead of listing individual donor names, we are highlighting the broad community of Twin Cities Habitat for Humanity supporters and the many ways you help make the mission happen.

2,916 individual volunteers worked 8,031 shifts for a total contribution of **48,056 volunteer hours**. Whether swinging a hammer on site, using a paint brush to brighten a home, or stocking inventory at our ReStore Home Improvement Outlets, these volunteers multiplied Habitat's impact.

1,646 donors made their first gift to Twin Cities Habitat, joining a collective total of **7,049 donors** committed to building the quality of life, health, and economic prosperity of our community through affordable homeownership.

During an uncertain year, **17 regular crews** and **262 regular volunteers** formed the backbone of our volunteer base. These consistent and capable volunteers played a critical role in keeping homes moving forward so we could continue to serve local families. We're grateful for their dedication!

Two young students gave their allowances to Twin Cities Habitat because they wanted to help other people feel safe at home.

42 AmeriCorps members contributed a total of **32,579.25 hours**, serving as leaders on homebuilding sites and in office roles assisting clients, volunteers, and staff.

Thank you to the **807 Builder's Circle members**. This group of individuals and family foundations build a brighter future for families and transform communities with annual gifts of \$1,000 or more.

Three dedicated volunteers **assisted 300 homeowners struggling to make ends meet** in applying for the Coronavirus Housing Assistance Program (CHAP).

Housing Heroes took action and amplified their voices through **392 advocacy actions** like signing a petition, emailing a policy maker, and participating in a virtual **Habitat on the Hill** to make affordable homeownership a priority.

While Global Village international trips were paused, **38 past trip volunteers** came together for Global Village Gone Local to build near home and raise support for Twin Cities Habitat's Global Impact Fund.

Thank you to the **109 Legacy Circle Members**. These generous donors have included Habitat in their will or estate plans, building an enduring impact through homeownership.

At our two ReStore Home Improvement Outlets, **60 regular volunteers** helped to turn **22,415 donations** from individuals and businesses into sales to support Twin Cities Habitat for Humanity.

Four local breweries teamed up to introduce "Home Improvements," a collaborative limited-edition beer that supports **Habitat's House that Beer Built**.

More than **300 Women Build volunteers** and **21 Team Leaders** brought their friends and family out to build with them, coming together on the homebuilding site to learn new skills, form community, and create affordable housing.

Thank you to the **258 Carpenter's Club members**. This group of recurring monthly givers allows Habitat to more adequately budget and plan for the continuous need for affordable housing.

Three individuals and families stepped up to each financially sponsor an entire house, making significant commitments to Habitat with the opportunity to see their generosity in action

In partnership with the University of Minnesota Extension Program, **140 Master Gardeners worked with 28 Habitat homebuyers** on the design and installation of landscaping to help transform their houses into homes.

More than **140 vehicles** were donated to Twin Cities Habitat's **Cars for Homes** program, where proceeds from those vehicle sales helped create, preserve, and promote affordable homeownership.

Thank you to the **22 bike riders** who pedaled to build a cycle of hope. These persistent **Habitat 500 Bike @ Home** riders raised money and awareness for Habitat for Humanity.

“Despite the social, political, and health challenges in our community, our supporters rose to the challenge to prioritize those in need. This is both selfless and incredibly inspiring and makes me extremely proud to walk alongside this incredible Habitat community.”

—John, Twin Cities Habitat for Humanity Board Chair Emeritus

“Habitat has made our dream a reality. To be given the sensation of rootedness amidst a global pandemic is matchless in its value.”

“I think it’s really up to each one of us to find our own way to try to make a difference. And, especially in today’s world, it can seem overwhelming and easier to just sit back and not do anything—but joining together with others can be an empowering experience.”

Controller

“In a year that has held so much individual and collective grief, death, injustice, anger, uncertainty, disunity, disagreement...I am grateful to spend a year serving with an organization that is committed to providing glimmers of hope to the hopeless through our everyday work.”

—Maddie, Twin Cities Habitat AmeriCorps member
