Mission

Our mission is to bring people together to create, preserve, and promote affordable homeownership and advance racial equity in housing.

The Impact of Your Gifts

When you donate to Twin Cities Habitat for Humanity, your gifts power programs to create, preserve, and promote affordable homeownership. Read more about each program below.

Homeownership Program

Twin Cities Habitat is best known for its Homeownership Program, which creates homebuying opportunities for low-income local families. Clients partner with Habitat to buy their homes using Habitat's affordable mortgage*, which can be used to buy a home built or rehabbed by Twin Cities Habitat or buy a home for sale on the open market and partner with Habitat for rehab assistance.

**Habitat mortgages, called "TruePath Mortgages," are provided through our wholly-owned nonprofit mortgage company, TCHFH Lending, Inc.*

A Brush with Kindness Paint and Repair Program

Twin Cities Habitat preserves homeownership and strengthens neighborhoods by helping low-income homeowners repair and maintain their homes.

Age Well at Home[®]

Twin Cities Habitat's *Age Well at Home*[®] program helps older low-income homeowners safely stay in the homes they own and love for as long as they wish. *Age Well at Home*[®] services include home modifications meant to make spaces safer and more accessible.

ReStore Home Improvement Outlets

Twin Cities Habitat operates two ReStore Home Improvement Outlets open to the public. ReStore Outlets sell quality donated home furnishings, furniture, and building supplies at a fraction of the original cost. ReStore generates revenue to support Habitat's mission, provides low-cost building materials, keeps usable materials out of landfills, and increases the breadth of donations Habitat can accept.

Mortgage Foreclosure Prevention

Twin Cities Habitat assists families who are facing foreclosure or who have fallen behind on their mortgage payments.

Community Engagement

Twin Cities Habitat engages communities where we build and work. We have intentional neighborhood partnerships with multiple neighborhoods in Minneapolis and St. Paul, and we engage communities across the metro area through events, listening sessions, etc.

Global Engagement

Local donors and volunteers join Twin Cities Habitat in impacting the global mission through service trips and philanthropic gifts.

Advocacy

Habitat Housing Hero advocates lead the call for public investment and good housing policies.

Volunteerism

Twin Cities Habitat volunteers contribute to the mission on construction and repair sites, at ReStore Outlets, in the office, and through board and committee service.

Who We Serve

Twin Cities Habitat for Humanity serves Minnesota's Twin Cities seven-county metro area, including Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington Counties. Our programs are aimed at low- and moderate-income families. The income requirements vary by program, but in general all our clients earn less than 80% of the area median income. Twin Cities Habitat for Humanity is an Equal Opportunity housing agency and Equal Opportunity Affirmative Action employer.
