

A Community of Givers

FISCAL YEAR: JULY 1, 2021 – JUNE 30, 2022

As a Habitat supporter, you power our mission to bring people together to create, preserve, and promote affordable homeownership and advance racial equity in housing.

We are grateful for all your gifts of time, resources, and partnership. This year, **6,594 individual volunteers contributed a total of 103,366 volunteer hours** and **6,894 donors** generously gave financial and in-kind gifts totaling **\$15,037,384**.

In addition to the thousands of individuals who support Habitat, many organizational donors—like corporations, faith communities and foundations— have given in the past year. You can see them listed in this book.

Twin Cities Habitat for Humanity is thankful for this broad community working together toward an equitable Twin Cities region where all families have access to the transformational power of homeownership.

Table of Contents

Gifts Made In-Kind	7		
Gifts Made in Tribute	9		

Individuals

Instead of listing individual donor names, we are highlighting the broad community of Twin Cities Habitat for Humanity supporters and the many ways you help make the mission happen.

6,594 individual volunteers worked a total of 103,366 volunteer hours. That time is valued at more than \$3.3 million according to the Independent Sector value of volunteer hours in MN!

1,529 donors made their first gift to Twin Cities Habitat, joining a collective total of 6,894 donors committed to building the quality of life, health, and economic prosperity of our community through affordable homeownership.

During an uncertain year, 16 Regular Crews formed the backbone of our volunteer base. These consistent and capable volunteers played a critical role in keeping homes moving forward so we could continue to serve local families.

260 donors gave to our Emergency Ukraine Response, raising more than \$110,000 in less than five days that went directly to Habitat for Humanity affiliates in Eastern Europe as they assisted refugees fleeing the war in Ukraine.

30 AmeriCorps members contributed a total of 17,514.25 hours, serving as leaders on homebuilding sites and in office roles assisting clients, volunteers, and staff.

Thank you to the 921 Builder's Circle members. This group of individuals and family foundations build a brighter future for families and transform communities with annual gifts of \$1,000 or more.

More than 700 Habitat supporters attended our first in-person Hard Hat & Black Tie Gala since the start of the pandemic, and together they raised more than \$1 million to support local families through Habitat.

146 people joined our Virtual Habitat on the Hill advocacy day, and there were 89 virtual meetings between grassroots advocates and their state legislators to advocate for affordable homeownership.

While Global Village international trips remain paused, 11 Habitat supporters came together for the first annual MinneVillage trip to volunteer with another Habitat affiliate in Grand Rapids, MN!

Thank you to the 118 Legacy Circle Members. These generous donors have included Habitat in their will or estate plans, building an enduring impact through homeownership.

At our two ReStore Home Improvement Outlets, 84 regular volunteers helped to turn 20,780 donations from individuals and businesses into sales to support Twin Cities Habitat's mission.

Ten local breweries teamed up to introduce "Home Improvements," a collaborative limited-edition beer that supports Habitat's House that Beer Built.

652 Women Build volunteers and 22 Team Leaders brought their friends and family out to build with them, coming together on the homebuilding site to learn new skills, form community, and create affordable housing.

Thank you to the 255 Carpenter's Club members. This group of recurring monthly givers allows Habitat to more adequately budget and plan for the continuous need for affordable housing.

Four individuals and families stepped up to be the Major Sponsor of a Habitat house, making significant commitments to Habitat with the opportunity to see their generosity in action.

119 vehicles were donated to Twin Cities Habitat's Cars for Homes program, where proceeds from those vehicle sales will fuel Habitat's mission.

Thank you to the 13 bike riders who raised money and awareness for Twin Cities Habitat for Humanity and other Habitat affiliates throughout Minnesota in the Habitat 500 bike ride.

Philanthropist and author MacKenzie Scott made a transformational gift of \$13.5 million which will substantially help further Habitat's vision.

"I don't know if I have all the words to express how deeply moved I am for all of you who found it in your hearts and busy lives during this critical period in our world of COVID, to come and work on my home. I am so grateful and thankful to have met such a wonderful group of people. I appreciate all that you've done. You've made a dream come true."

“The impact owning a home has had on our lives is unmeasurable. The work Habitat for Humanity does in communities and for families is so important. My family has benefitted greatly from the stability of homeownership in our family. My sons both own homes, and I have no doubt Habitat has had an impact on them.”

“When I was working, I always used to say that my worst day on a Habitat site was still better than a good day at the office. You will never know how fulfilling it is to build houses for those who need them until you have come and tried a day at Habitat.”

“Thank you for your help and support in sustaining Twin Cities Habitat as a strong and resilient organization. Your commitment to Habitat is more critical than ever. And, perhaps like me, you’ll conclude you’ve received even more than you’ve given through your Habitat involvement. Thank you!”
