

A Community of Givers

FISCAL YEAR: JULY 1, 2022 – JUNE 30, 2023

As a Habitat supporter, you power our mission to bring people together to create, preserve, and promote affordable homeownership and advance racial equity in housing. We are grateful for all your gifts of time, resources, and partnership.

This year, **9,724 individual volunteers contributed a total of 133,555 volunteer hours** and **8,641 donors** generously gave **\$15,941,924** in financial contributions and **\$1,648,082** in gifts in-kind.

In addition to the thousands of individuals who support Habitat, many organizational donors—like corporations, faith communities, and foundations— have given in the past year. You can see them listed in this book.

Twin Cities Habitat for Humanity is thankful for this broad community working together toward an equitable Twin Cities region where all families have access to the transformational power of homeownership.

Individuals

Instead of listing individual donor names, we are highlighting the broad community of Twin Cities Habitat for Humanity supporters and the many ways you help make the mission happen.

9,724 individual volunteers worked a total of 133,555 volunteer hours. That time is valued at more than **\$4.23 million** according to the Independent Sector value of volunteer hours in MN!

1,890 donors made their first gift to Twin Cities Habitat, joining a collective total of **8,641 donors** committed to building the quality of life, health, and economic prosperity of our community through affordable homeownership.

Twelve House Check volunteers ensured the safety of 40 properties by consistently inspecting the homes for signs of weather damage or unexpected entries.

Three individual donors made gifts of real estate to Twin Cities Habitat, creating a lasting impact for families through Habitat homeownership.

With the help of the first group of **Youth Ambassadors** and guidance from the Leadership Council, we successfully relaunched Family Volunteer Day and welcomed **18 families** to the Habitat office for fun-filled activities while learning about Habitat.

45 AmeriCorps members contributed a total of **18,305 hours**, serving as leaders on homebuilding sites and in-office roles assisting clients, volunteers, and staff.

Thank you to the **936 Builder's Circle members**. This group of individuals and family foundations build a brighter future for families and transform communities with annual gifts of \$1,000 or more.

Celebrated the "retirement" of **five long-time regular volunteers** who were now welcomed into our Regular Crew Emeritus Group. Each of these volunteers had given over 1,000 hours of their time to Habitat's mission.

More than **900 Habitat supporters** attended our **Hard Hat & Black Tie Gala**. Together they raised more than \$1 million to support local families through Habitat.

Habitat on the Hill returned to the Minnesota State Capitol, with more than **100 attendees** from 10 Habitat affiliates across the state meeting with 82 Minnesota legislators to advocate for affordable homeownership.

Twelve Board members and stakeholders traveled to the Dominican Republic to support Habitat International's **100,000 Floors to Play On initiative**, replacing dirt floors with concrete, and piloting the return of Global Village trips.

Thank you to the **127 Legacy Circle Members**. These generous donors have included Habitat in their will or estate plans, building an enduring impact through homeownership.

Seven local breweries teamed up to brew "Home Improvements," a collaborative limited-edition beer that supports Habitat's House that Beer Built.

At our two ReStore Home Improvement Outlets, **66 regular volunteers** helped to turn **19,105 donations** from individuals and businesses into sales to support Twin Cities Habitat's mission.

35 Women Build Team Leaders brought their friends and family out to build with them, coming together on the homebuilding site to learn new skills, form community, and create affordable housing.

Thank you to the **316 Carpenter's Club members**. This group of recurring monthly givers allows Habitat to more adequately budget and plan for the continuous need for affordable housing.

Four individuals and families stepped up to be the **Major Sponsor of a Habitat house**, making significant commitments to Habitat with the opportunity to see their generosity in action.

184 vehicles were donated to Twin Cities Habitat's **Cars for Homes** program, where proceeds from those vehicle sales will fuel Habitat's mission.

“This was a volunteer trip that allowed me to be of service to humanity that ultimately has made an indelible impact on my own humanity.”

—Corey Sauer, Habitat volunteer, donor, and participant in the 2023 Global Village Trip to the Dominican Republic

“I actually didn't really know the value of myself until I became a homeowner...[Homeownership] was the start of knowing that I'm worthy and I can do more, I can bring more—I am more.”
