

# Homeownership Advocates

are asking you to...

## Establish Working Group for Homeowners Associations

- Study the prevalence and impact of HOAs in Minnesota
- Submit recommendations to the legislature on improving regulations

## Invest in Housing Infrastructure Bonds

Secure funding for the development of housing across the continuum of need

## Reduce Barriers to Building More Homes

- Diversify the types of housing communities can build statewide
- Streamline approval processes, development timelines, and costs

## Constitutional Amendment for Affordable Housing

Dedicate sustainable funding for affordable homeownership, rental, and community stability
