

## HABITAT ON THE HILL 2024

# How to Find Your Legislator

- The standard plan is to pull your legislator from the floor. If you have a red or green sticker on your folder, you have special instructions for when or where you will meet them.
- If you have a **green** sticker on your folder, you have special instructions for meeting your Representative. If you have a **red** sticker, you have special instructions for meeting your Senator. Please consult the red and green flip charts to find these instructions and consult Emily Kirkevold with any questions.
- Because the legislature is so busy this time of year, everyone's plans for finding their lawmaker will look a little bit different. We will be there to help you find your legislator and answer questions, but keep in mind plans might change. We appreciate your flexibility and patience!

## To Pull a Legislator Off the Floor:

- Find other constituents from your district and consult your Team Captain if you have any questions.
- Go to the tables outside the Senate or House chambers and submit a request to your legislator to meet briefly to discuss affordable homeownership.
- Wait for your legislator to come out. They might not, in which case you can always follow up with a letter or email!
