Dual Citizen Brewing Company's *Home Improvements* Beer to Benefit Twin Cities Habitat for Humanity

St. Paul, MN (April 4, 2024) – Dual Citizen Brewing Company and Twin Cities Habitat for Humanity are teaming up on the latest release of *Home Improvements*. The limited-edition brew will be released at Dual Citizen on April 5 and will be poured at the Minnesota Craft Beer Festival on April 13.

Proceeds from *Home Improvements* will support Twin Cities Habitat for Humanity's House that Beer Built and will expand access to affordable homeownership in the Twin Cities.

"Dual Citizen has been our Lead Sponsor since House that Beer Built began in 2018. They embody the collaborative spirit of the craft brewing industry and they've been so fun to work with on this project," said Sean Koebele, Senior Manager of Institutional Partnerships at Twin Cities Habitat. "We're excited to share this easy and tasty way for beer-lovers to support Habitat's mission."

"As a community focused brewhouse, Dual Citizen Brewing Company is honored to be the leading sponsor and organizer for the House That Beer Built. We believe everyone deserves a safe, affordable place to call home, but home is out of reach for too many of our neighbors in our communities," said Mahad Muhammad, Dual Purpose Director at Dual Citizen Brewing Company. "Minnesota also has some of the widest and worst racial disparities in the United States, rooted in racial discrimination in housing and homeownership. That's why we're proud to partner with Twin Cities Habitat in their work to advance racial equity in housing."

At the 2024 Minnesota Craft Beer Festival, more than 100 breweries will pour more than 400 beers at the Minneapolis Convention Center. Attendees can enjoy limited-release beers from world-class breweries, unlimited pours, and live music. Proceeds from the event benefit Twin Cities Habitat for Humanity's House that Beer Built. Learn more or buy tickets at www.minnesotacraftbeerfestival.com.

This year's version of Home Improvements is an American Pale Ale, straw yellow in color with a white head. Aromas of smoked oak, and slightly bready. Medium body, high carbonation, and moderate bitterness. This is a beer brewed to do good for Dual Citizen's annual partnership with Twin Cities Habitat for Humanity and the House That Beer Built.

Local beer enthusiasts can join the [House that Beer Built Facebook group](#) to connect with fellow beer lovers and Habitat volunteers and find the latest news on Habitat's brewery partners.

About Twin Cities Habitat for Humanity

Twin Cities Habitat for Humanity brings people together to create, preserve, and promote affordable homeownership and advance racial equity in housing. Since 1985, more than 1,700 families have partnered with Twin Cities Habitat to unlock the transformational power of homeownership. Twin Cities Habitat is one of the highest-regarded Habitat for Humanity affiliates nationwide. The affiliate will host the [Jimmy & Rosalynn Carter Work Project](#) in fall of 2024 at The Heights on St. Paul's Greater East Side. www.tchabitat.org.

About Dual Citizen Brewing Co.

Dual Citizen Brewing Co. is located in the South St. Anthony Park neighborhood of St. Paul, just off of University Ave. & Hwy 280. Opened in early 2018, and brewing an ever-expanding range of ales, lagers, including the 2022 World Beer Cup Gold Medal winning Mayhem & Mischief American Barleywine, the beautiful and unique taproom is strategically placed between both downtown areas. A community-driven brewhouse that proudly claims citizenship on both sides of the river.
